Diceware D12

Volume Frank Zappa

To make a new password, add at least 4 words randomly taken, preferably from different volumes.

If you have a lot of books, it's recommended randomly select the volumes

For each word, once set the volume, roll 3 12-sized dices.

The first dice will be the Volume chapter;

The second will be the section in chapter;

The third is the word in that section

We hope you generates a good password!
